by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Notwithstanding the provisions of Tennessee Code Annotated, Section 57-3-207(f)(3), the limitations contained in the first two sentences of such subdivision relative to a winery selling the wine it produces at retail on its premises shall not apply. Instead, a winery may sell at retail on its premises no more than five hundred thousand gallons (500,000 gals.) of the wine it produces annually. Customers may possess and transport such wine anywhere in the state in quantities not in excess of that allowed by other state law, but such wine must be accompanied by a bill of sale sufficiently identifying the nature, quantity, purchaser, date and place of purchase of such wine. Sales to wholesalers are not so limited.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
